

COMPASS

COMMUNITY HEALTH
CARE CENTER

Quality health care
for the whole family

A New Direction

About Us

At Compass Community Health Care Center, we believe everyone should have access to quality health care services. We are a Federally Qualified Healthcare Center (FQHC) focused on providing a medical home with an integrated care approach combining primary care with behavioral health services.

- Open to all, regardless of ability to pay
- Same day and next day appointments
- Help with transportation to our office
- Extended hours
- Easy access and street level parking

What our patients say about us

“Thanks to the team at Compass, I have learned how to change behaviors that were making me sick. They spent time teaching me how important it is to take my medication as directed, and how important diet and exercise are to maintaining good health.”- *Randy H.*

“The staff is very helpful... and my visits are always quick and easy and I’m very comfortable with the entire staff. I’ve never felt so at ease with any other facility.” - *Patient Survey Response*

“I like that my provider listens to me and gives me his full attention as well as great care. The entire Compass Community Health Care Center staff makes me feel like family.” -*Estel O.*

“When a patient feels that their voice is heard, they will respond to accepting their health care plan in a much more positive way.” -*Sabrina Newell, Care Coordinator*

Our Services

Our Medical Director, John Turjoman, MD., leads a team of dedicated health care professionals offering the following services:

Family Health: From treating a cold to a chronic condition, we offer compassionate, comprehensive, primary health care. We will work together as a team to help you successfully manage:

- High blood pressure
- Diabetes
- Heart disease and other chronic conditions

Women's Health: Megan Whisman, FNP, or any of our providers, can help with annual preventative women's health screenings including:

- Pap tests
- Mammograms and more

Behavioral Health: Our Counselor is available to help you and your children with concerns such as:

- Anxiety and depression symptoms
- Relationship and communication strategies
- Anger management and coping skills

Care Coordination: Our dedicated nurse Care Coordinator will explain what comes next and help:

- Make follow-up appointments
- Arrange transportation
- Explain health information and answer questions
- Collect up-to-date information from all of your providers

Pediatric Occupational Therapy (OT): Specialized occupational therapy services for our patients who struggle with:

- General developmental challenges
- Self care skills
- Sensory processing issues such as sensitivity to light, sound, touch, and more

Outreach and Enrollment: We have a Certified Application Counselor at our office who will:

- Help you sign up for health insurance (Affordable Care Act Marketplace, Medicare or Ohio Medicaid) or community programs like CHIP
- This is a free service, available to anyone

On-site Pharmacy: Get your prescriptions filled fast, after seeing your provider.
